

# Lemur-C Spare Parts List

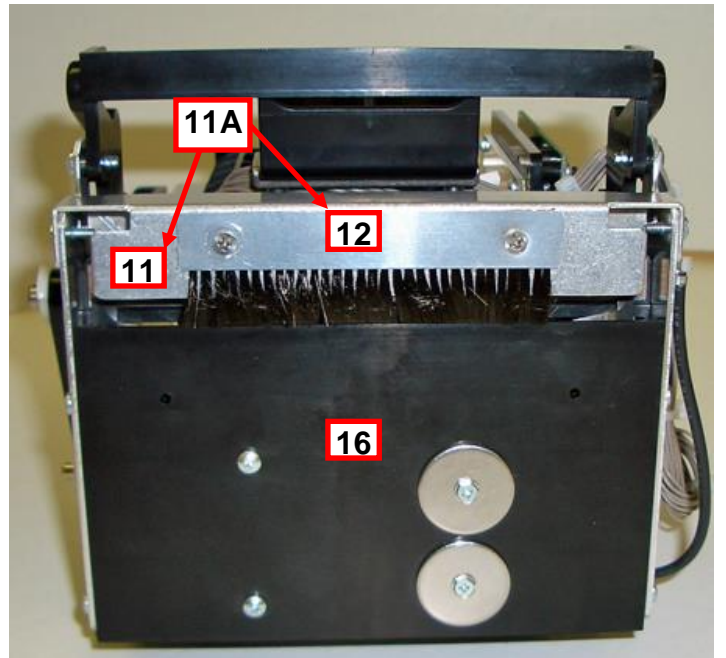

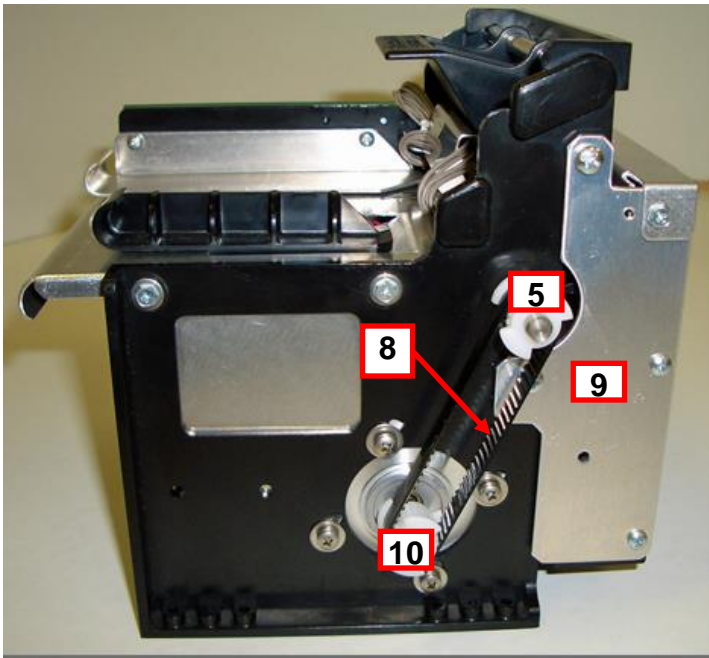

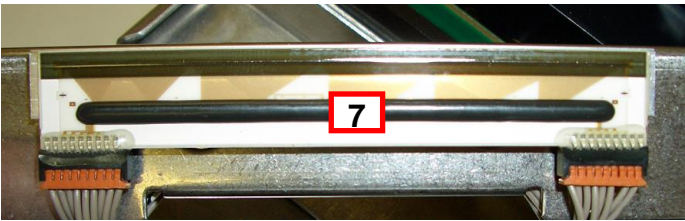

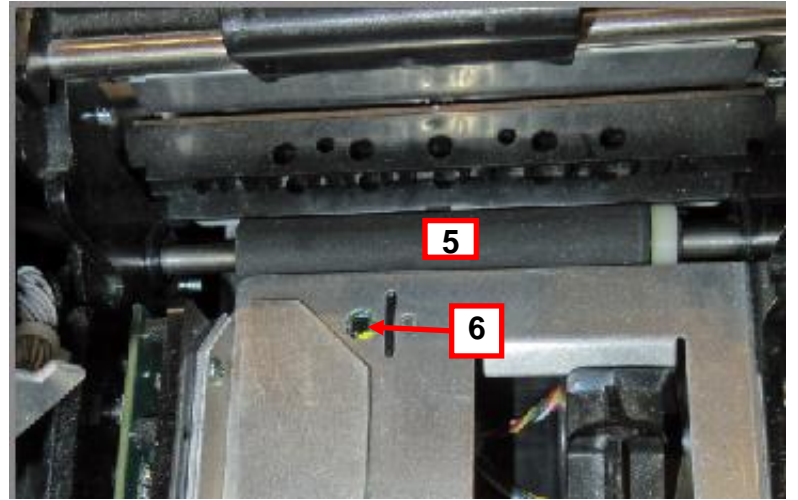

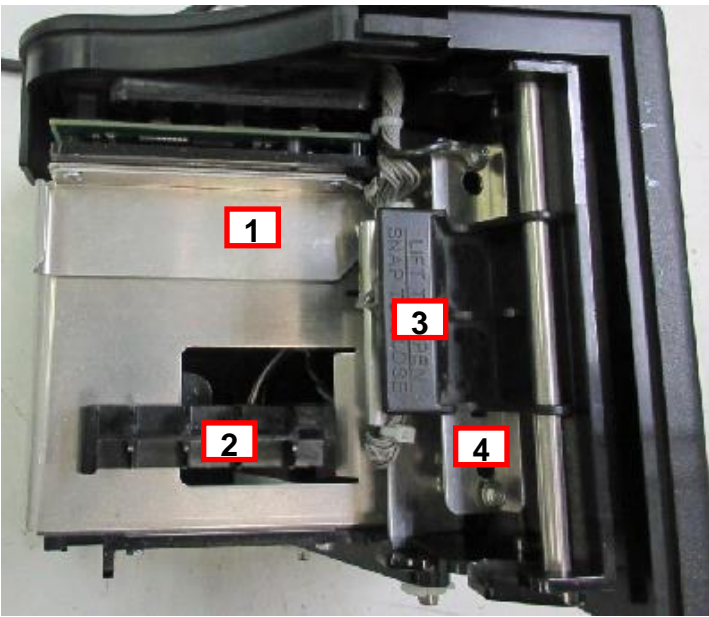

Effective January 1, 2020

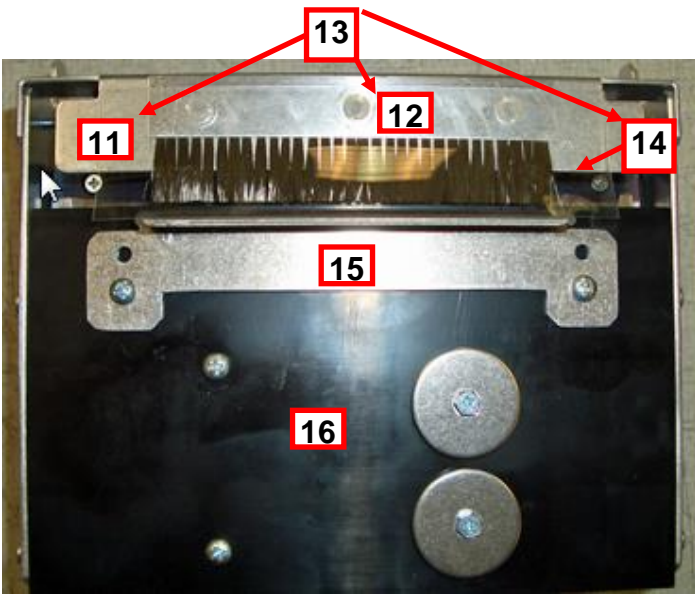

| #     | Part Number   | Description  |
|-------|---------------|--|
| 1     | 423524C-1     | Upper Rail Only (cutter)   |
| 1*    | 423524-C-NC   | Upper Rail Only (non-cutter)   |
| 2     | 423802-W      | Slider bar assembly for ADJW   |
| 3     | 423236P       | Take Out Head Cam Lock   |
| 4     | 423496-ONE2C  | Head Mounting Plate 2C   |
| 5     | 423760-LC-200 | Platen complete for 200dpi   |
| 6     | SQ OPTO-L     | Opto Detector Ticket load  |
| 6**   | SQ OPTO-L-JST | Opto Detector Ticket load (for printers with CJ logic board)                                     |
| 7     | 200C3         | Print Head for Lemur-R & 2C printers only  |
| 8     | P50-1017      | Drive Belt, 98T (for 200dpi)   |
| 9     | 423473C       | Mounting plate, BC5 cutter   |
| 10    | 424011        | Stepper Motor with 20T pulley  |
| 11    | 423480C       | Upper exit deflector only (Lemur-C)  |
| 11A   | 423480C-C     | Upper exit deflector with brush (Lemur-C)  |
| 12    | 422718WV      | Anti-Static Brush (three holes)  |
| 13    | 423480C-VL    | Upper exit deflector, complete for vertical printer  |
| 14    | 423829-1      | Mylar only, vertical bc5   |
| 15    | 423485-VL     | Exit Deflector Lower, vertical   |
| 16    | 424008-LC     | Cutter Assembly (BC5) No mounting plates   |
| 16**  | 424008-LC-U   | Cutter Assembly (BC5) No mounting plates   |
| 17    | SQ OPTO       | Opto Detector cut or tear  |
| 17A** | SQ OPTO-JST   | Opto Detector cut or tear (for printers with CJ logic board)                                     |
| 18    | LC46-E        | Main Logic Board – w/ Ethernet option  |
| 18**  | CJ46-E        | Main Logic Board w/ Ethernet option  |
| 18*   | LC46          | Main Logic Board (Standard)  |
| 18**  | CJ46          | Main Logic Board (Standard)  |
| 18*   | LC46-cd       | Main Logic Board with RJ12 cash drawer mode  |
| 18**  | CJ46-cd       | Main Logic Board with RJ12 cash drawer mode (for printers S/N 447356 & higher)                   |
| 18*   | LC46-ecd      | Main Logic Board (Ethernet option) with RJ12 cash drawer mode                                    |
| 18**  | CJ46-ecd      | Main Logic Board (Ethernet option) with RJ12 cash drawer mode (for printers S/N 447356 & higher) |
| 19    | 423196        | Ground Strap   |
| 20    | 424010        | Cable, Print Head 2C   |
| 21    | 423938        | DC Harness, cutter   |
| 21**  | 423938-JST    | DC Harness, cutter (for printers with CJ logic board)  |
| 22    | 420880C       | Base   |
| 23    | 420881C       | Cover  |
| 24    | 424009        | Power Supply 24VDC 60W   |
| 25    | 423825-4x6    | Hopper, (4" x 6") Plastic  |
| *     | P19-1000      | Cable, AC cord 110VAC (US)   |
| *     | 423855        | Cable, AC cord 220VAC (European)   |
| *     | 423856        | Cable, AC cord 220VAC (UK)   |
| *     | 423863        | Cable, AC cord 220VAC (Australia)  |
| *     | 423855        | Cable, AC cord 220VAC (European)   |
| *     | 423765        | Cable External, serial DB9 TO RJ12   |
| *     | 423947        | Cable External, serial DB25 to RJ12  |
| *     | 423846        | Cable External, USB  |
| *     | 423825-4x6    | Hopper, (4" x 6") Plastic  |
| *     | 423829        | Mylar only, Vlemur   |
| *     | 423635        | Rubber Feet  |
| *     |               | Top Plate, vertical Lemur (8.70" x 9.64") Plastic cabinet Lemur                                  |
